Two ways to save:

Type of Lease:	Tax Lease	Capital Lease						
Amount of Write-off	With a true tax lease, you may have the ability to write-off your monthly lease payments.	Section 179 is a great way to accelerate your tax benefit Under Section 179, you can expense 100% of the cost equipment acquired in 2018 up to \$1,000,000.						
Purchase Option	This type of lease is usually written with a fair market value purchase option, such as FMV 10%.	To take advantage of Section 179, we can structure you lease with a PUT (Purchase Upon Termination) option at the end of the term, such as \$1, or a larger pre-defined amount such as 10% or 20%.						
End of Term	At the end of your lease term, you have the ability to either purchase or return the equipment.	At the end of the term, equipment must be purchased or the lease renewed to be eligible for this deduction (equipment cannot be returned).						
Example:								
Lease Structure	\$50,000 worth of equipment on a 36 month lease with FMV 10% purchase option	\$50,000 worth of equipment on a 36 month lease with \$1 buyout.						
Monthly Payment	\$1,480/month	\$1,620/month						
Projected 2018 Tax Savings (Assuming 35% Tax Bracket)	\$6,216 ([\$1,480 x 12 months] x 35 percent)	\$17,500 (\$50,000 x 35 percent)						
Projected 2019 Tax Savings (Assuming 35% Tax Bracket)	\$6,216 ([\$1,480 x 12 months] x 35 percent)	\$0						
Projected 2020 Tax Savings (Assuming 35% Tax Bracket)	\$6,216 ([\$1,480 x 12 months] x 35 percent)	\$0						
Projected Total Tax Savings (Over course of 36 month term)	\$18,648	\$17,500
